Alicia Sepulveda
COLLEGE LIFE COACH

Many college students feel lost, stuck, anxious, and alone. Students are uncertain about what they should do, who to go to, and what to ask.

In this talk, Alicia shares 3 simple steps to creating a college road map that will inspire students to dream big and take transformative action.

Alicia will help students get clear and confident so they leave with a sense of hope in themselves and their future.

What We Co-Create:

- Learn the 3 steps to creating a college road map that is *yours*.
- Explore possibilities beyond checking the typical boxes of going to class or picking a major.
- Make simple shifts that will help you believe in yourself - you can actually make a difference in this world.
